**MOOD:** 😠 cynical

**MUSIC:** Nine Inch Nails - Capital G

There's a Price Chopper in St. Johnsbury. We may not have to eat the huskies after all.

And I may be adapting. I'm only wearing two sweaters, and I'm hardly cold at all.

Also, they moved the thaw up. Sunday is supposed to hit 39.

He says he's not cold?

Put your hand on his forehead. You've got a lowered body temp too. So if he feels hot to you--

If I find someone to deliver food, can you open the door for them when they get there? And will you remember to check the peep?
